

Parked cars and pot holes in the City of Mississauga

Pat pot, patch pot  
look here look there  
pat pot patch pot  
there is a car parked here  
there is a car parked in there.

This kept a Good looking  
old Lady away from her  
working place and  
by looking at pot holes She  
thought about about doing  
nothing and winning the Race  
There She marched back and forth  
one two, one two  
one two three four  
one two, three four  
one two, three four

But on the way back  
to Her working place  
She got lost on the fog  
and could not keep up  
with the running traffic  
and She lost the race.

When She got to Curchill Meadows  
She was out off the Race  
but She was too far behind in  
her work, and without thinking  
She backed up and without making  
sure that it was safe to do so  
he provoked a big accident

Now this bad driver that  
WE only know as Pat Saito  
who run away from that accident  
site is going to think twice  
before backing up and looking at  
pot holes instead of doing  
Her job

We are going to dig a pot hole  
about six feet long and 3 feet wide  
and five feet deep to hide  
her body and God will take care  
of Her Soul, but We can not  
forgive her for doing nothing

She can keep running  
at a good pace but  
We will make sure  
that She is in HEAVEN  
and out of the Race.

So please GOD take care  
of this SOUL for ever and  
EVER.

Do You know Her?
